1) The Chairman's Reply is for
 personal. It is stated that there
 was no occasion for a non-official
 trustee to make any journey and
 expenses to be paid. He however
 quotes the G.O. dated 8.3.54 wherein
 Sr. B.R. Manekam, Gen. Architect
 was sanctioned his journey to
 Hyderabad by air both ways. This
 same G.O. cannot form a precedent
 for the trustee to claim passage
 by air as it was then permitted
 as a special case in view of
 the shortage of time at the
 disposal.

24) The recommendation of the chairman, Bangalore Trust Board is that, as the Board consists of Heads of departments, members of Legislature, and other officers (class I, Table I of Art 470 of M.S.R.), the status of non-official members should also be that of class I officers and the C.S.T.B, Bangalore may be included in list A. cited in the previous page.

25) The question of including all the members in this list does not appear to arise, as the officers of govt. who are serving as members of the Board, are entitled to the rates of T.A. and D.A. specified for each of them under M.S.R. according to their pay and status. The question to be considered is as to the inclusion of non-official members only. Turnover by these members is very rare. From the inception of the T.B, it is perhaps only once, a member was deputed to Hyderabad in connection with the conference of Town planning. It is perhaps not necessary to include non-official members of the Board in list A of annexure 2 of section II. The question of ~~giving the rate~~ may perhaps be considered, as and if any occasion arises, considering the merits of each case. ~~It is perhaps desirable.~~
